Mr. José Luis Bruna i Brotons
President of the Spanish Federation
Fishing & Casting

Dear Athletes, Captains and Delegates,

As president of the Spanish Federation of Fishing and Casting, I have the honour to greet and welcome the athletes, captains and delegates, as well as the delegates of the FIPS Mer, who will meet in the waters of Torrevieja between the 24th and 31st of October, on the occasion of the celebration of the 25th WORLD CHAMPIONSHIP BOAT ANGLING FOR JUNIORS (from 16 to 21 years old).

The city of Torrevieja and the dynamic Alicante Provincial Council, as well as the General Directorate of Sports of the Generalitat Valenciana, have distinguished themselves for their support of sport, as an activity that generates values such as effort, self-discipline, respect and its integrating social capacity, to which are added specific values of sport fishing such as respect for aquatic ecosystems and the natural environment, as well as its great social transversality. This tradition of promoting sport characterises the entire Valencian Community. For this reason, both the Spanish Fishing and Casting Federation and the Fishing Federation of the Valencian Community are proud and satisfied that this world competition can be held in the wonderful waters of Torrevieja.

The Valencian Community and its entire coastline are a tourist attraction of the first order. During these days you will be able to get to know its climate, its magnificent beaches, its historical monuments and its excellent and varied gastronomy.

You will see for yourself their welcome and hospitality, every time the world of competitive fishing knocks on your doors.

I want to publicly thank the FIPS Mer for the granting of the organization of this World Championship of Fishing Boat Anchored Clubs in its 17th edition, without forgetting the recognition and support that the Higher Sports Council (CSD) has always given to our sport.

But I would not like to end these lines of greeting and welcome without expressing my satisfaction, my recognition and sincere gratitude to the Fishing Federation of the Valencian Community, for its dynamism, its good management and brilliant promotion of the sport of fishing, which make it one of the great pillars of the Spanish Federation of Fishing and Casting (FEPYC). From here I want to thank all its organization, all its efficient and enthusiastic collaborators and in particular the Marina Internacional de Torrevieja Yacht Club. I am sure that this World Cup will shine with its own light.

Welcome and may the best win!
